

**ARNOLD'S BEAUTY SCHOOL  
ACADEMIC ADVISEMENT PLAN**

All students receive academic advisement throughout the time that they are enrolled at the school to assist in completing the cosmetology program and planning for employment. Each staff member provides academic advisement to the students in their respective classes, and the Assistant Director and/or Supervisor of Instruction monitors each student's academic progress.

Students are given advisement which is documented in their student file. Advisement in employment through job placement, mock job interviews, and resume building assistance.
